No teacher, staff member, student leader, or prefect is permitted to use physical, harsh, or humiliating actions under any circumstance.

### 2. Mandatory Reporting Within 2 Days

If any child experiences punishment in school, it **must be reported to the Principal within 2 days** of the incident.

Concerns raised after this period or without factual clarity will not be considered for action.

### 3. Consequences for Violation

Strict action will be taken:

- **Against teacher/ staff**, if they violate the policy.
- **Against students**, if they misuse authority or harm others.

#### **4. Protection of School Integrity**

Parents are requested to:

- Report genuine concerns immediately,
- Avoid circulating unverified allegations,
- Support the school in maintaining a positive environment.

#### **5. Areas of Concern Requiring Immediate Parent Cooperation**

In recent times, the school has observed several behaviours that are making it difficult to maintain discipline and a safe environment which are -

##### **Behavioural / Non-Academic Concerns only**

- Using bad language in the school campus & bus
- Calling other students names (verbal teasing)
- Engaging in early relationships
- Pulling another child's pants in the boys' washroom
- Spilling water in the boy's washroom
- General misbehaviour during class transitions – Assembly and Break time

#### **6. Shared Responsibility**

We request parents to reinforce discipline and respectful behaviour at home while the school continues to uphold a safe and supportive atmosphere for every learner.

After the investigation, the school understands that a stronger culture of positive discipline needs to be re- built once again in the students as well as teachers in certain areas and they require ongoing guidance and support.
